# FEATURES + BENEFITS

## Smart Attendee Planning Tool

Users build personalized itineraries with favorite exhibitors and sessions to maximize their event participation.

## Cross-Platform Solution

Personalized planner on the app syncs automatically with a2z-powered website when the user logs in to both platforms.

## Seamless, Easy to Use

Changes to floor plan and conference information are pushed to the event apps seamlessly, without requiring additional effort on your part.

## Support for Offline Mode

Attendees can browse the exhibitor list, floor plan, speakers and sessions and build a personalized planner without Wi-Fi/Internet connectivity.

## Powerful Admin Portal

Event organizers can easily manage the mobile app navigation using the a2z admin portal.

## Beautiful Mobile Galleries

Product, show special, press release, and video galleries give attendees quick access to the information they are interested in.
